Johnson Stole His \$120.

Bennington, Sept. 16.—Pavid Towslee, a prosperous Pownal farmer, 65 years of Massachusetts district court to recover for the loss of his pockethook and \$120 the North Adams fair. On the day following Towslee's loss, the police of who have records as crooks and who all ready has served terms of imprisonment for similar offences. One of the men, Alfred Johnson, known to the police as "Hig" Johnson, had when arrested a large diamond stud in his shirt front. Towsles claims that he can identify Johnson and his companion as the men who took his money and to recover he has attached the diamond which is of sufficient value to more than cover the amount taken from Pownal man and which is now Squires of New Haven and in the possession of the North Adams

# BIG FOR BRYAN BRYAN'S CONGRATULATIONS

Democratic Convention Closed with Big Mass Meeting Addressed by Him.

# PARKER PROMISES FEALTY

Announcement Greeted with a Rone-Chanler Nominated by Democratic Convention for Governor-G. M. Palmer Named to Suceced Jackson.

feature of the democratic State convention which closed to-day, there was a notable demonstration to night in honor of the party's national standard bearer. W J. Bryan, who addressed a mass meeting in convention hall and overflow gatherings outside.

Presiding over the assemblage was Judge Alton B. Parker, the presidential ricket candidate of four years ago, who took advantage of the occasion to make a personal piedge of his earnest fealts to be millocal ticket. As Mr. Repan and Judge Perker stoot side by nide the great assemblage, which choked the hall to its utmost capacity, the cheering welled up in a deafening rear Mr. Bryan Mack and Tammany Leader Murphy left ed at Cornel University and the course teknowledged Mr. Parker's pledge of on the same train for New 1972 with a conscious will support and the support of the Mr Bryan will step for an hour in the tain people the opportunity to draw sall and democracy of the Empire State morning. The Tammany delegations will take people the opportunity to draw sall arrives to the State, and according acknowledged Mr. Parker's pledge of united democracy of the Empire State in words as gracious as the pledge had been extended.

The greeting extended to Mr. Bryan when he first entered the hall and the applause and cheering which constantly interrupted his speech, was as spontane- Liftgation Pollows Department Store's ously enthushasic as any be had met with in his already wide travels of the

Nearly all of Rochester seemed to have given fiscif over to the reception of Mr. Bryan. The down town streets were througed all evening long and the proplace was made difficult by the crowds which pressed about him. A forch light procession, the wide swung crowds gutliered about the over flow stands and the cheering which swept up and down the streets gave Rochester a picturesque picture of the opening of the national campa gn

#### THE STATE TICKET.

SMOOTH COURSE FOR CHANLER.

All opposition to Mr. Chanler disag peared after a conference of the State leaders which occupied a greater part of last night. At this same conference after the views of practically every counleader had been ascertained. Mr. Chanler's running mates were officially selected and there remained little for the convention to do to-day but to ratify the State ticket. The ticket, with one xception, seemed to meet the approvalof all the delegates and the nominating until the office of State engineer and surveyor was reached. The conference canley of Brooklyn, an anti-McCarren man The previous harmony of the convention was disturbed at the mention of his name and Senator McCarren, amid the cheers of his supporters took the platform 'to resent an insulf.

He declared the nomination of Farley was agreed to without any regard to the Kings county delegation and was intended to embarrass them. He declared would always support democratic nominees but would not held himself respon stile for the action of people who felt themselves insulted.

Leonard C. Smith of Long Island was nominated in opposition to Mr. Farley, but the latter won on a make the nemination unanimous was lost by two or three scattering nega-
